

It's Time to Get the Grits Festival Rollin'

We are writing to thank you for your past support of the World Grits Festival. As we plan and prepare for our 37th Annual World Grits Festival, we are reaching out to potential sponsors to ask for monetary and/or product or service donations to help us make the upcoming event a success. We are hoping that you will donate this year as we continue our mission to provide our community with a family fun annual event. Please keep in mind, the proceeds from our event allow us to provide scholarships to four (4) high school graduates.

There are a variety of ways your donation will help our festival. The funds may be used towards different forms of entertainment, upon your request, you may choose to donate specifically towards an event at the festival (Corn Toss, Grits Eating Contest, etc). Any amount you are able to donate would be greatly appreciated, though for specific events there are minimums required so that costs for the event are covered. If you choose to sponsor an event, you may even have staff or members of your organization present to assist with the event at the festival for additional exposure of your company or organizations support.

We hope that you will consider supporting our festival this year and we look forward to hearing from you. **The 2024 World Grits Festival will be held April 12th, 13th and 14th.** If you have any questions, concerns, or would like to request one of our committee members to come meet with you, please include that on your submission.
